Halspan® Doors

We hereby confirm authorisation to use our information in the design and fabrication of fire doors to 30, 60, 90 and 120 minutes, and in support of claims to the fire performance of doors so constructed.

The stipulation of this authorisation is that **Halspan®** is used as the core material and that additional material required to complete the fabrication are those laid down in the Technical Manuals.

Fabrication will be to sizes and tolerances stated and it will be the responsibility of **Guarletras - Indústria De Carpintaria E Mobiliário, Lda** to ensure that these are adhered to at all times. It is also the responsibility of **Guarletras - Indústria De Carpintaria E Mobiliário, Lda** to ensure that the door set is fit for the purpose and long term serviceability and conformity to recognised good practice.

Halspan® is a registered trade mark owned by Halspan Ltd and the name can only be used in the context of doors where the material is used. It is a three layer particle board manufactured by C.P.S. to the specification of Halspan Ltd. for fire door construction.

As **Halspan®** is under continuous development there will be additional information made available from time to time. See www.halspan.com

We will withdraw our authorisation to **Guarletras - Indústria De Carpintaria E Mobiliário, Lda** if they fail to demonstrate the use of **Halspan®** or fabricate fire doors not in accordance with information given.

This authorisation is valid, initially, for a period of six months from date of issue.
